WARNING!

Please make a copy of this deck before proceeding. DO NOT edit this deck.

This is the CareAR deck template. It provides layouts and options for you to create your own presentations.

To keep your presentations small:

- Delete any layouts you are not using
- Delete any master pages you are not using
- Do not add any fonts other than: Source Sans Pro (headings) and Arial (body text)
- Do not start a CareAR deck with another template – drag slides from other presentation into the CareAR deck template
- Do not embed videos (link them to an online version)

All images, icons, videos you will need for your presentation live the CareAR Asset Bank (CAB)
